Action Items:

Action Item 9-1: GTCD staff to develop a site plan for the canoe launch area to be ready for implementation in the Spring 2014. 12/3/13 Status: GTCD staff will work on a draft site plan for presentation at the March 2014 meeting. **3/20 Status: Purdy reported that TCL&P disconnected the power lines but were forced out by the weather before they removed the wires & power pole. That will be done when the weather breaks. Largent stated the gate will be open to allow paddlers to access the lower drop-off area as soon as the weather allows. Grading will occur once the ground thaws.**

Action Item 9-2: GTCD staff to contact engineering firms and begin the process of developing cost estimates, engineering plans, and permits for replacement of the Boy Scout Bridge over the Boardman. 12/12/13 Status: GTCD staff contacted a local engineering firm and will obtain cost estimates for plans and bridge abutments. **3/20 Status: Largent reported he's working with Gourdie-Fraser & Associates on abutment designs. Actron Steel gave a price of \$2,500 to sand blast, rust proof, and paint the bridge.**

Action Item 3-2: Largent will work with the City Clerk's office to amend the resolution that establishes a 12-member committee with one seat occupied by a designee of the TCL&P Board.

Action Item 3-3: GTCD staff will make recommended changes to the Management Plan and associated documents and provide the BBAC with a revised draft for their review.
